Attention: VIN Coordinator

Volkswagen Do Brasil S.A. has asked Volkswagen of America, Inc to inform you that they wish to withdraw their original submission in regards to Vehicle Identification Number (VIN) decipherability. Their original submission contained errors in the World Make Identifier (WMI) and in the designator for the Gross Vehicle Weight Rating (GVWR). The WMI has been corrected to agree with the SAE assigned charcters and the GVWR designator has been corrected to agree with the NHTSA assigned weight class.

Please consider the attached submission as the official and the corrected document for Volkswagen Do Brasil, S.A. for this incomplete vehicle.

Sincerely,

VOLKSWAGEN OF AMERICA, INC.

Charles A. Preuss
Manager
Vehicle Regulations
Department
