RECEIVED - NHTSA

Information for VIN Deciperation

Pursuant to 49 CFR Part 565 *Vehicle Identification Number Requirements*, the undersigned manufacturer hereby submits the following information:

VIN sections:

1) Positions 1-3, '**L5C**', the first part of WMI
2) Positions 4-8, vehicle descriptor section (VDS)

4th position, line/model

'H' for gasoline powered motorcycles
'B' for other motorcycles
'G' electric golf cars
'C' for other golf cars
'Y' for brush motor electric bikes
'W' for brushless motor electric bikes
'E' for other electric bikes
'D' for electric all-terrain vehicles
'N' for electric utility vehicles
'K' for electric go kart
'A' for gasoline powered all-terrain vehicles
'U' for gasoline powered utility vehicles
'S' for gasoline powered Go Karts
'F' for other all-terrain vehicles

5th position, engine or electric motor type

'A' for 2-stroke, air cooled engine
'B' for 2-stroke, water cooled engine
'C' for 2-stroke, oil cooled engine
'P' for 2-stroke, forced air cooled engine
'E' for 4-stroke, air cooled engine
'F' for 4-stroke, water cooled engine
'G' for 4-stroke, oil cooled engine
'H' for 4-stroke, forced air cooled engine
'Y' for 36V brush electric motor
'V' for 48V brushless electric motor
'W' for 36V brush electric motor
'M' for 48V brushless electric motor

6th position, engine displacement or electric motor power

'A' for less than 50cc engine; or 100w
'B' for 50cc engine; or 150w
'C' for 60cc engine; or 180w
'D' for 70cc engine; or 200w

'E' for 80cc engine; or 240w
'F' for 90cc engine; or 350w
'G' for 100cc engine; or 500w
'H' for 110cc engine; or 600w
'Y' for 125cc engine;
'J' for 150cc engine; or 800w
'K' for 175cc engine; or 1000w
'L' for 200cc engine; or 1500w
'M' for 250cc engine
'N' for 300cc engine
'P' for 350cc engine
'R' for 400cc engine
'S' for 500cc engine
'T' for 600cc engine
'U' for 650cc engine
'V' for 700cc engine
'W' for 750cc engine
'X' for 800cc engine
'Z' for 1000cc engine
'1' for larger then 1000cc engine

7th position, driving type
'L' for chain driving
'Z' for shaft driving
'P' for belt driving
'T' for others

8th position, revision series
'0' for base series
'A' for revision series A
'B' for revision series B
'C' for revision series C
'D' for revision series D
'E' for revision series E
'F' for revision series F
'G' for revision series G
'H' for revision series H
'K' for revision series K
'L' for revision series L
'M' for revision series M
'N' for revision series N
'P' for revision series P
'R' for revision series R
'S' for revision series S

'T' for revision series T
'U' for revision series U
'V' for revision series V
'W' for revision series W
'X' for revision series X
'Y' for revision series Y
'Z' for revision series Z

3) 9th position, check digit

4) 10th position, identifier of the model year
'7' for year 2007
'8' for year 2008
'9' for year 2009
'A' for year 2010
'B' for year 2011

5) 11th position, plant identifier
'M' for plant in City of Jinhua, Zhejiang Province, China

6) Positions 12-17, vehicle identification section (VIS)

Positions 15-17, a 6-digit number sequentially assigned by the manufacturer in the production process starting with 000001.

MANUFACTURER IDENTIFICATION

2009 JUN -8 A 10: 14

RECEIVED NHTSA

Pursuant to 49 CFR Part 566 *Manufacturer Identification*, the undersigned manufacturer hereby submits the following information:

1. Manufacturer Name:
   Zhejiang Mengdeli Electric Co., Ltd.
2. Primary Business Address:
   Qiaoxia Industry Area, Yongkang City
   Zhejiang Province, 321300
   P.R. China
3. Description of Motor Vehicles:
   Motorcycles from 25CC to 650cc engine displacement
   All Terrain Vehicle from 25CC to 1000cc engine displacement
