VECTRIX™

September 24, 2008

Mr. David Coleman
U.S. Department of Transportation
National Highway Traffic Safety Administration
1200 New Jersey Avenue, S.E.
Washington, D.C. 20590

Dear Mr. Coleman:

I am writing to bring an issue to your attention, regarding our VIN scheme. We understand that, according to NHTSA regulations, the 10th digit in the VIN should reflect the model year; our old scheme did not take this into account, and thus the 10th digit in our VIN is an "S" instead of a "7". I apologize for this inconsistency, and can attest to the fact that the bikes are, indeed, model year 2007. I have attached an explanation of our old VIN scheme, as well as an explanation of our updated VIN scheme.

This error affected all VINs with the last 4 digits up to 2027. I have attached a listing of all the faulty VINs, for your records.

If you have any questions, please feel free to email me at asayer@vectrixusa.com or call at (401) 848-9993.

Sincerely,

Abigail K. Sayer
Contract & Compliance Manager
