Dear Mrs. Gardner:

After receiving your letter, and reading it, I proceeded to change the letter coding. I have removed the letters I,O,Q from my VIN coding scheme. The new coding is enclosed,now that this information is updated,I am sure it can now be entered into NHTSA'S docket 1-22-N 11 B. I trust everything is in order, however if there is a problem please feel free to contact me at the number above or (208) 459-3800, or my home phone (208) 466-2774, thank you for your time.

Sincerely,

Richard Garcia
