Here is the updated AI list and Warranty summary sheet. I'll send the A3s separately.

I did not receive the files. Anyway to compress the files or separate them into 12 Meg Max. files?

Yes I did send them. It was a very large file (~32 Meg). I checked my sent mail to ensure that it sent and it did. Did you not receive the email?

Brad,

Are there updated files that you would like to have attached to the meeting notice for tomorrow's meeting?
