Mr. August Burgett,

B 12/11/89 pd 3

I talked to you this morning on the phone about our number.

ORIGINAL

This is what I've come up with. As I understand it - several of these numbers could change with different trailers - Is that right?

For instance - 4 through 8 - 10 - and the last three numbers -

1 pg.

U.S Reuben's Less than 500	Flat bed Standard	Length - (9 feet)	No. of Axles	Model yr. (table)	Plant (So. Dak.)	assigned	sequence
