Attention VIN Coordinator:

I am in the process of opening up a plant for manufacturing of camping trailers (tent trailer).

In using the worksheets and federal safety codes supplied to me by SAE of Warrendale PA I am submitting a seventeen digit VIN number for your approval. Explanation is as follows:

1. Manufacturer identify: (1st three characters)
   1B9=Brandy Industries as supplied by SAE

2. Type of Trailer: (4th character)
   A=Camping trailer

3. Series: (5th character)
   B=Brandy Industries

4. Length: (6th and 7th character)
   Length in feet

5. Number of axles: (8th character)
   1=one axle

6. Check Digit: (9th character)

7. Vehicle Model year: (10th character)
   L=1990 model year

8. Plant Location: (11th character)
   A=Colon MI

9. Trailer manufacturer: (12th,13th and 14th character)
   236=Given by SAE

10. Sequence numbers: (15th,16th, & 17th character)

If we have figured this right, our complete VIN would be:
1B9AB1013LA236001

Due to the selling season starting for my type of product I would greatly appreciate if you could find time to expedite this application.

Thank you,

Douglas P Jenkins
