To Whom It May Concern:

Tropical Trailers of Lakeland is going to start assigning Vehicle Identification Numbers on the trailers that are manufactured. I am sending you the information necessary to decipher all of the characters in the VIN number. Tropical Trailers of Lakeland manufactures enclosed trailers, utility trailers, and car trailers. Here is a sample VIN number with an explanation:

1 T 9 T E 0 8 1 9 R L 3 6 4 0 0 1

1P.

1T9-World Manufacturer Identifier from SAE
T-Tropical Trailers (Brand)
E-type of trailer manufactured which this one is an enclosed trailer. U is for utility trailer. C is for car trailer.
08-length of trailer in feet.
1-number of axles on the trailer.
9-check digit.
R-model year.
L-Plant location. (Lakeland,Fl)
364-Manufacturer Identifier.
001-Production Sequence.

If there are any further questions concerning this-please contact me at (813)859-7564. Thank you for your time.

Sincerely,

Damon Crunk
