SJC INDUSTRIES

Sustaining Life on the Line

EXECUTIVE SECRETARIAT

2010 MAY 14 A 10: 38

RECEIVED - NHTSA

SJC Industries Corp.
dba McCoy Miller, dba Marque, dba Premiere
1110 D.I. Drive
Elkhart, IN 46514

Owner of Company: Thor Industries

City of Incorporation: Elkhart, IN

Product Manufactured: SJC Industries is a manufacturer of ambulances. We are a final stage manufacturer. Our role is to convert existing completed van chassis into ambulances by adding an extended roof structure and interior on Type II ambulances, or to construct a modular aluminum body and mount it to existing appropriate chassis on Type I or Type III ambulances. All of our ambulances are built in accordance with both the GSA KKK-A-1822 standards as amended and the AMD ambulance manufacturers standards as currently published.

GVWR: The gross vehicle weight ratings (GVWR) of our products range from 9,600 to 40,000 lbs.
