Attn: David Coleman

I am requesting registration with the National Highway Traffic Safety Adminstration as an incomplete vehicle final stage manufacturer.

Our company, Hudson River Truck Equipment, Inc., completes trucks in the final stage by installing van bodies, service bodies, dump bodies and related accessories on chassis cabs with GVWRs from 8,500 lbs. to 80,000 lbs.

Please send me written confirmation that you have received my request.

Thank you in advance for your attention to this matter.

Sincerely,

Matthew Maneri
