September 14, 2011

Administrator,
National Highway Traffic Safety Administration,
400 Seventh Street SW.,
Washington, DC 20590.

In compliance with CFR, Part 566, Manufacturer Identification, we submit the following information.

Manufacturer's Name:
a) Charlotte Party Charters, Inc.

Residence address of the manufacturer and State of incorporation if applicable.
b) 6712 Freedom Drive, Charlotte NC 28214

State of Incorporation, North Carolina (USA)

Description of each type of motor vehicle ...
c) Applicant intends to purchase completed transit (intercity) buses (with original manufacturer's Certification Labels applied) and alter those vehicles into specialty sight-seeing buses. It is not intended to alter Original Manufacturer's Gross Vehicle Weight Ratings, Gross Axle Weight Ratings, or Tire and Rim specifications and inflation data. Also, we anticipate that all certified items of equipment and performance (controls and displays, lighting devices, brake systems, tire and rim matching, etc.) will be retained. We intend to install additional glazing materials that meet ANSI standards ANSI/SAE Z26.1-1996 and are inconformity with the requirements of FMVSS 205 (49CFR571.205), as applicable at the time of installation.
The approximate gross vehicle weight ratings for such vehicles will be 39.600 Pounds.

Charlotte Party Charters, Inc.
