RE: 49 CFR Part 566, Manufacturer Identification

Owner(s) of the Company: Fleetwood RV, Inc. is a wholly owned subsidiary of American Specialty Vehicles, Inc.

City of Incorporation: Delaware

Product Manufactured: Fleetwood RV, Inc. builds and produces completed "multipurpose vehicles" (also called recreational vehicles or motor homes) from steel, aluminum and fiberglass components, engines, transmissions, axles, and various other components purchased from U.S. Suppliers.

All of the multipurpose vehicles produced are delivered as "completed" and are functional units that have been verified to meet all applicable FMCSS requirements.

GVWR: The gross vehicle weight ratings (GVWR) of our multipurpose vehicles range from 32,600 lbs. to 50,600 lbs.

Sincerely,

John Draheim, President and CEO
Fleetwood RV, Inc.

Dated: 6/14/11
