Notes: All US built 2012 H-D VINs start 1HD OR 5HD, Brazil built start with 932; India start MEG.
The model codes in this VIN chart represent VIN positions 4,5,6,7,8,9,10 and 11. Position 4 denotes the type of motorcycle, 5 is the product line, 6 is Series/Model Line Combination, 7 is the Engine Type and Net Brake HP, 8 is introduction date, California compliance and calibration. The * in position 9 denotes the check digit which must be calculated can only be #s 0-9 or letter X. Position 10 is the model year and 11 is the plant code.
Not all models available in all markets.
CVO is Custom Vehicle Operations.
Beginning with model year 2010, the Code for manufacturing plants changed: York from Y to B, Kansas City from K to C, Tomahawk from T to A and Manaus Brazil changed from M to D. REV2011.0726.
