**NOTE: If importing more than one vehicle, attach an addendum with model year, make, model, and VIN for each vehicle. All sections of this form must be complete and submissions in writing must be legible (49 CFR Part 551.31). All requests submitted to this office must allow 30 business days for determination.**

**PAPER REDUCTION ACT STATEMENT:** A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a current valid OMB Control Number. The OMB Control Number for this information collection is 2127-0002. The information collected on this form is necessary to obtain registration with NHTSA as an importer of motor vehicles that are not originally manufactured to comply with all applicable Federal Motor Vehicle Safety Standards. The information is used to verify the applicant's eligibility to obtain such registration. We estimate that it will take approximately 10 hours to compile and assemble the information needed to complete the application. The information collected is necessary to obtain a benefit under 49 U.S.C § 30141 (c) and 49 CFR 592.5(a). Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Room W45-205, Washington, DC 20590.
