

# What Do The Traffic Signs Mean?

Young bicyclists as well as pedestrians need to know what laws pertain to them. They also need to know what traffic control devices mean and how they should act and react when they encounter one. Signs, signals, and painted markings on the pavement all have special traffic meanings for roadway users.

**Directions:** Match the signs with their description.

- \_\_\_ 1. Let the other traffic go first
- \_\_\_ 2. Bicycles not allowed
- \_\_\_ 3. All traffic in the right-hand lane must turn right
- \_\_\_ 4. Traffic facing the sign must stop
- \_\_\_ 5. Three colored lights - green means go, yellow and red mean stop
- \_\_\_ 6. Railroad tracks ahead
- \_\_\_ 7. No left turn
- \_\_\_ 8. Traffic flows in direction of arrow
