Subject All Weather Mat Label

History:

✉ This message has been replied to.

I understand this is a one time deal but I would ask for what supply of labels you can provide us so we can judiciously distribute on an as needed basis. We are getting calls from dealers and once we qualify the request may provide to augment this initiative.

Subject Re: All Weather Mat Label 

Good point. Mike and Ken our Call Center will also use some of the labels you send me to fulfill customer requests off of phone inquiries.
