Component Name	Part Number	Country	Action	Dates of Manufacture	Number of Equipment
Toyota optional All Weather Floor Mat	PU3200T00901	Canada	Other Safety Campaign	December 1, 2008 through July 7, 2009	4,517

3. Substantially Similar Components sold in the U.S.:

Make/ Car Line: Toyota Venza  
Model Year: 2009, 2010 model year

Components: All Weather Floor Mat

4. Description of Problem:

The subject All Weather Floor Mat (AWFM) is specifically designed for the 2009 and 2010 model year Toyota Venza vehicles. It includes two grommet holes and retaining hooks (clips) to secure the mat to the vehicle's carpet. If the AWFM is not secured by the retaining hooks (clips) either by itself or if it is placed on top of an existing carpeted floor mat, the mat could move forward during the vehicle usage and it may interfere with the accelerator pedal. In the worst case, the accelerator pedal may temporarily become stuck in a partially depressed position when returning to the idle position.

5. Description of Corrective Repair Action:

All owners of 2009 and early 2010 model year Toyota Venza vehicles will be notified, by first class mail, of the safety campaign and the timing when the replacement AWFM will become available. Once the replacement AWFM is available, a second owner notification will be sent to notify owners to return their AWFM to any Toyota

dealer for an exchange of the AWF.M.

6. Determination to Conduct Safety Recall / Other Safety Campaign:

- The determination was made by Toyota Motor Corporation;
- Date of determination to conduct safety recall / safety campaign: December 11, 2009
- Date recall / campaign will commence: Late December, 2009

7. Reason the affected component sold in the U.S. are not involved in this safety recall / safety campaign:

The subject all weather floor mats are not imported into the U.S.
