SSC 70F – TOYOTA CAMRY ALL WEATHER FLOOR MAT ACCESSORY SAFETY RECALL NOTICE FOR 2007 AND EARLY 2008 MODEL YEAR VEHICLES

Dear Toyota Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Toyota has decided that a defect, which relates to motor vehicle safety, exists in the *optional* Toyota Camry All Weather Floor Mat (floor mat constructed from heavy duty rubber) designed specifically for certain 2007 and early 2008 model year Camry vehicles. **We are sending you this notice in the event you purchased this accessory.**

What is the condition?

The *optional* Toyota Camry All Weather Floor Mat is specifically engineered and manufactured for Camry vehicles. This includes two grommet holes in the All Weather Floor Mat and retaining hooks (clips) to secure the mat to the vehicle's carpet. Toyota has received reports that if the *optional* Toyota Camry All Weather Floor Mat (either by itself or if it is placed on top of an existing carpeted floor mat) is not secured by the retaining hooks (clips), the mat can move forward and interfere with the accelerator pedal returning to the idle position. If this condition occurs, in the worst case, it may increase the possibility of a crash.

Moisten glue strip below, fold on dotted line and seal

What will Toyota do?

Any Toyota dealer will replace the original driver's seating position All Weather Floor Mat with a newly designed one at **NO CHARGE** to you.

What should you do?

This is an Important Safety Recall

As we indicated to you previously, we required time to prepare the necessary parts. Toyota is pleased to inform you that the replacement driver's seating position All Weather Floor Mat for your vehicle is now ready. Please contact your authorized Toyota dealer to make an appointment to replace the original driver's seating position All Weather Floor Mat as soon as possible. The replacement will take approximately 10 minutes. However, depending upon the dealer's work schedule, it may be necessary to make your vehicle available for a longer period of time. **Until the replacement All Weather Floor Mat for the driver's seating position is replaced, we request your assistance in regularly verifying the floor mat is properly secured using the retaining hooks (clips) provided.** If the mat is properly secured, it will not interfere with the accelerator pedal. **More than one floor mat should never be used in the driver's seating position, as the retaining hooks (clips) are designed to accommodate only one floor mat at a time.**

If your vehicle does not have the Toyota Camry All Weather Floor Mats (please see the diagram for the specific mat involved), it is **NOT** involved in this recall. Please return the enclosed postcard to notify us that you **do not** have the Toyota Camry All Weather Floor Mat accessory, so we may remove your name and address information from future mailings regarding this issue. However, during our investigation, it was noted that floor mat interference is possible in any vehicle with any combination of floor mats. Therefore, if you utilize non-Toyota floor mats, **please make sure they are also properly secured using the appropriate retention device and do not place them on top of another floor mat.**

If you no longer own the vehicle, please indicate so on the enclosed postage-paid form, providing us with the name and address of the new owner if possible.
