Subject: Chart about Tacoma DP.

「秘」, 「転送禁止」 - [ Secret ], [ Don't forward ]

Hi George-san,

As you requested to Kato-san, I'm sending the chart about the number of CR cases of Tacoma DP.

Please see attached file.

Note: Total number of CR cases on this chart (500) is a little different from the response to NHTSA (478) because 500 has duplication. This means, for example, one case has two key word which is "problem" on this chart.

Best regards,

T. Nishida
