Sub. NHTSA Information Request for DP

concerning 04-08MY Tacoma sudden and uncontrolled acceleration

Thank you for your support concerning Tacoma Defect Petition.

As we informed you in our request Fax previously, NHTSA mentioned that the subject vehicles are 2004-2008MY Tacoma in the IR. We negotiated to exclude 2004MY on the subject vehicles because 2004MY is previous model. However, as a result, NHTSA requested that we include 2004MY Tacoma's field information in our response.

We asked you to provide the information of the customer complaint, goodwill and extended warranty claim concerning 2005-2008MY Tacoma, and we received these data from you previously.

Therefore, we would like to ask you provide us with the following information (2004MY Tacoma's information) **by March 25, 2008.** We are sorry for our requests in twice.

<CAN2000 Customer Complaint Data>

Please run the component search with the following search condition.

Make/Model/MY	2004MY Toyota Tacoma
Coding Type	Complaint
Component	See page 2
