Attention: VIN Coordinator

RE: Part 565 – Vehicle Identification Number re: 2013 Subaru BRZ and Toyota Scion FR-S
(Second Submission)

Dear VIN Coordinator:

Pursuant to 49 CFR 565.16(d), Fuji Heavy Industries USA, Inc. submits the attached information necessary for NHTSA to decipher the characters contained in the vehicle identification numbers ("VINs") on the model year 2013 Subaru BRZ and Toyota Scion FR-S vehicles to be sold in the United States.

The enclosed updates page no. 2 of our previous response dated January 17, 2012 (Ref. No. GR12-005). Specifically, the information representing the "Make, Line, Series, Body Type" (positions 4 and 5 of the VIN) has been corrected from "Scion FR-S Coupe" to "Toyota Scion FR-S Coupe". This same change was also made to the title on page no. 2.

If you have any questions, please do not hesitate to contact me at (410) 884-4075.

Sincerely,

John Frooshani
Safety Activities Manager
Government Relations
