MEMO **ENGINEERING SERVICES**

The purpose of this letter is to inform you of changes within the Vehicle Descriptor Section of our 17 digit Vehicle Identification Number scheme, as described in 49 CFR Part 565.5 and 566.6. Two new Trailer models have been added to the Series/Body Type that now affects the fifth digit identification as follows:

- "S" for Sea Breeze models (submitted originally)
- "P" for Palisades models (added model)
- "L" for Splash models (added model)

If there are any questions concerning this amendment, please contact me direct at (909) 943-6007 Ex. 232.

Sincerely,

B. Roy Busby
Systems Engineer
