Re: World Manufacturer Identifier by SAE: 4 X T (Thor California, Inc.)

Dear VIN Coordinator,

The purpose of this letter is to inform you of our intent to add an additional brand to our current lineup.

To aid you in deciphering our VIN characters, as required in 49 CFR Part 565.5, we designate VIN position #12 with a "1" for Tahoe product and a "2" for Wanderer product. We are proposing using a "3" in position #12 for our new Mirage product.

If there are any problems with this system or procedure, please contact me at Thor California.

Sincerely,

Steve DeMarco  
National Sales Manager
