Dear Sirs

Re: VIN IDENTIFICATION

The Vin Identification for the vehicle that we are exporting to the United States is based on your procedures with the following additional information.

Positions 1-2-3-12-13-14

based on our WIM code SA9 100
as supplied by British Standards Institute (we have informed the NHTSA of this code)

Positions 15-16-17

We are using code 001 for our first vehicle, and future vehicles will be allocated consecutive numbers.

Position 11

We have used the letter Y as our location of plant is in York.

Please retain this correspondence for your records, we will incorporate a copy of this document in our export file.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Neil Ferguson'.
