Re: Trailer Manufacture Registration

Dear David Coleman:

Thank you for your assistance over the telephone regarding completion of the registration process for our company.

Per your instructions, I am including the Manufacturer Identification (Part 566.5), the VIN Decoding Information (Part 565.7), and an exemplar sketch of a Manufacturer Certification Label (Part 567) for two sizes of small equipment trailers.

I would appreciate if you could process this information and return fax a confirmation letter so we can proceed with Canadian Registration.

Very truly yours,

Dale Messenger P.E.
Product Safety Engineer
