Dear Mr. Coleman:

Thank you for your time and guideline to help Dream Tours, Inc. and ATT R&D Co. bring Low Speed Vehicle to the United States of America.

We have submitted already "Appointment of Agent for Service of Process on Foreign Manufacturer" and "Acceptance of Appointment" being ATT R&D's Service Agent.

Enclosed are completed documentations to start importing LSV to the state under 49 CFR Part 567, 566, 575 and VIN identification Chart for your review.

We followed all the guidelines and regulations that we possibly can find, however, we maybe have made honest mistake. Perhaps, you can spare some time off your busy schedule to review all the submission that we made and correct any mistake we may have made unknowingly. We should be in full production as of April 15, 2002 and expect to get first shipment of actual vehicles by Mid May.

Should you have any questions or concerns regarding any of this documentations, please feel free to contact me at (703) 352-0600 or my cell phone at (703) 932-1617.

Sincerely,

Peter M. Yi
