Re: Port City Trailers f/k/a Ellis & Port City Trailers  
SAE assigned characters 1E9

Gentlemen:

In April of 1981, I sent you a letter supplying information to you regarding this manufacturer's VIN numbers. Please take note of the following changes:

4th character of second section:

- |   |            |
|---|------------|
| 1 | 0 - 10'    |
| 2 | 10'1"-20'  |
| 3 | 20'1"-30'  |
| 4 | 30'1"-40'. |

I have incorporated this change in the 1984 serial numbers which I have supplied to this manufacturer. Thank you.

Very truly yours,

*Tamara O Mitchell*
