RE: Change in procedure for serial # assignment
B & B Homes Corp. dba Teton Homes

Dear Mr. Erickson,

We would like to change the original numbering system for our Park Model, Travel Trailers, and 5th Wheels as submitted 4-12-83.

This change would apply only to the 15th, 16th, and 17th digits. For simplicity in record keeping, we would like to assign these numbers in sequential order from 001 to 999, then begin again at 001. We had originally indicated we would begin each new model year with 001.

Please let us know as soon as possible if this is not satisfactory, as we will begin assigning 1985 numbers in the near future.

Sincerely,

Valerie Kulhavy
Sales Secretary
