Attention: VIN Coordinator

Reference: Letters of 6/5/80 and 10/21/80 pertaining to FMVSS-115 Vehicle Identification Number for Trailers Manufactured by J & L Tank, Inc., Saginaw, Texas

ORIGINAL

Gentlemen:

J & L Tank will add one letter to Digit 4 of the Vehicle Descriptor Section.

The letter U will designate: Bulk Bottom Unloading (Dry Cargo)

The Revised Digit 4 Section with the addition will be as follows:

Vehicle Descriptor Section (Digits 4 thru 9)

Digit 4: Type of unit where:

- T- Tanker (Liquid Cargo)
- P- Pneumatic (Dry Bulk Cargo)
- V- Vacuum Pneumatic (Dry Bulk Cargo)
- C- Combination Tank & Grain Box for two-way haul (Liquid & Dry Bulk Cargo)
- B- Body Load (or Truck Tank) for mounting on customer supplied chassis (Liquid Cargo)
- M- Non Highway Cargo Carrying Portable Storage Unit for Liquids
- N- Non Highway Cargo Carrying Portable Storage Unit for Dry Bulk
- U- Bulk Bottom Unloading (Dry Cargo)

We believe the foregoing is in compliance with FMVSS-115. If not, please advise changes or corrections that may be required.

Respectfully submitted,

J & L TANK, INC.

R. W. Updegraff
Chief Engineer
