Re: VIN 1UVATB952ESCD6789
and 1UVATB962ESCD6789

Gentlemen:

This letter will verify your telephone conversation of July 26th regarding a change in our VIN as pertains to the Trailmaster jeeper model with the drop axle. Per your conversation, we will use a (6) in the eighth position.

The original VIN with a (5) in the eighth position will be used with the original Trailmaster trailer. This trailer uses a straight axle.

Thank you for your immediate response.

Very truly yours,
Carman H. Blakeway
