ORIGINAL

Dear Ms. Steed:

With reference to our letter of July 18, Volvo wishes to submit supplemental vehicle identification number (VIN) decoding information for 1985 model year Volvo passenger cars.

The changes involve position 4 of the VIN, where the letter F will represent the 745 model and the letter G will represent the 765 model.

The attached table has been updated to reflect these changes.

Sincerely yours,

NORTH AMERICAN CAR OPERATIONS
Product Planning & Development
