Dear Sir:

NEOPLAN USA Corporation has recently designed a bus utilizing a new engine configuration. This new model will incorporate a six cylinder in-line engine, mounted transversely. Therefore, we respectfully submit our proposed VIN structure depicting this new installation (see attached list, item 7, number 7) for your concurrence and approval.

Please reply if there should be any questions or comments in regard to this new engine installation assignment.

Sincerely,

NEOPLAN USA CORPORATION

David W. Mikoryak
Vice President of Engineering
