Re: Kondor Coach Builders, Inc.
BOVA-Futura

Gentlemen:

This law firm represents the above-named company, who is proposing to introduce into this country a number of buses manufactured in Holland, and which shall be called the "BOVA-Futura".

Pursuant to Motor Vehicle Safety Standard No. 115 and 49 C.F.R. Part 565, the following VIN has been established in connection with these buses: XL9F2HCA7GV003375. The explanation of this code is as follows:

- XL9 003 = World Manufacturer Identifier (WMI)
- F = Futura
- 2 = Two (2) Axles
- H = High Deck
- C = DAF Engine 280 Horsepower, diesel
- A ✓ = Air Brakes
- 7 = Check Digit
- G = 1986 Model Year
- V = Valkenswaard, Holland B.V.
- 375 = Sequential Production Number

The manufacturer of these vehicles, which are to be utilized as tour buses, is: BOVA Autobusfabriek, of Valkenswaard, the Netherlands. The exclusive distributor in the United States is Kondor Coach Builders, Inc., a Maryland corporation, whose
