Attention: VIN Coordinator

Dear Sir or Madam:

Attached please find the consumer information specified in 49 C.F.R. § 565.5 for the Hyundai Excel, a passenger vehicle manufactured by Hyundai Motor Company of Korea and to be distributed by Hyundai Motor America (collectively "Hyundai") in the United States commencing on or about February 15, 1985. Hyundai's failure to submit the enclosed data "at least 60 days prior to offering for sale the first vehicle identified by [the] VIN" was purely inadvertent and a result of oversight. As soon as the inadvertence was discovered, Hyundai moved promptly to submit the data to NHTSA. Hyundai respectfully requests that in view of the extenuating circumstances, no enforcement action is necessary.

If you have any questions on the foregoing, please feel free to call me. Thank you for your consideration.

Sincerely,

Finbarr J. O'Neill
General Counsel
