We are currently a licensed trailer dealer in Texas. We will be manufacturing shop built trailers (lowboys & goosenecks) and will need to start using the 17-digit VIN.

We have ordered the uniform security-type MC and the 6 digits of the WMI Code has been assigned by the SAE.

Please accept the following specifications describing our particular VIN numbering system.

The make of our trailers will Herbs (Herbs Welding Shop) and will be lowboy or gooseneck style.

Sincerely,
Loretta Rychlik
