#12,13, and 14- #110 given to us by SAE

We build less than 500 trailers per year however, the instructions say motor vehicles and our trailers do not have motors on them.

Please notify me if I am to use these three (3) digits or not.

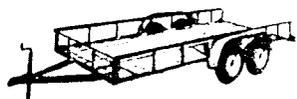

#15,16, and 17 sequence starting at 001

Please call if you have any questions concerning the code we use.

Sincerely,

Lynn McClure
