Attn: VIN Co-ordinator

Dear Sir/Madam:

Since we are anticipating manufacture of a trailer mounted machine within the near future, we are submitting our identifier and VIN coding as required in MVSS115. The attached letter from SAE provides the manufacturer identifier code and the vehicle indicator number. The additional pages describe the contents of our VIN for this new model. Please call 815-539-7411 if clarification is required.

Regards,

HEICO INC.
