Subject: 1987 VIN Decipherability Information Amendment

Volkswagen AG, Audi AG, Volkswagen do Brazil S.A. and Volkswagen of America, Inc. herewith submit in adherence with CFR 49, Part 565, Paragraph 4, Subparagraph c and in compliance with Paragraph 5, Subparagraph d and e, the data sheets with necessary information to decipher the characters of the vehicle identification numbers.

Contained in this submission are data sheets for the amended Golf GT models which were incorrectly identified in the initial submission as having the alpha character "C" in the fourth position when it should have been a "B" for the 2-door model and for the Golf GT 4-door model the fourth character should be "F" instead of "G". Please destroy the previously submitted data sheets for this model.

If you have any questions, please contact me at (313) 362-6333 or Charles F. Finn, a member of my staff at (313) 362-6335.

Sincerely,

VOLKSWAGEN OF AMERICA, INC.
