Attention: V.I.N. Coordinator
Stanley R. Scheiner, Chief

Dear Sir:

We are in receipt of your letter dated April 27,1987 in which you state we are using the wrong V I N coding for which we understand is in error.

As of May 4,1987 we will use the V I N Numer 1 B 9 as you have indicated for us to use. (We do not understand what the 077 stands for).

Enclosed you will find our old VIN sheets along with a set of new ones for which we will use from this day forward. If there is any problem with these, please notify us immediately.

Thank you for your help with this.

Sincerely

Bruce Brewer
