SUBJECT: Addition of character to 17 digit code

Dear VIN Coordinator,

In regards to FMVSS 115 we would like to make an addition to the following section of our 17 digit code. It is as follows:

SECTION 3

10th. B, E, S, or G (B-Brookville, E-Eau Claire, S-Salt Lake City, G-Green Pond)

The addition that was made was the letter G.

We added a new plant and will be producing trailers at that location.

If you have any questions please do not hesitate to call on me.

Sincerely yours,

Rodney C. Fuge
Sales Manager
