Dear Sir,

Enclosed please find Attachment "A" to the Vehicle Identification Number (VIN) as established by Nu Wa Industries, Inc. Attachment "A" illustrates how to decipher the Nu Wa VIN.

Note the addition to the second section of the VIN, the letter "S". The letter "S" is added to indicate a new series of trailers to be produced by Nu Wa Industries, Inc. - The Snow Bird Series.

This information is being submitted 60 days prior to the date we actually intend to commence affixing a VIN to the Snow Bird Series. Target date for affixing the first Snow Bird Series VIN is July 18, 1988.

Please review the information and advise if any additional information is required or if the new series letter is acceptable as submitted.

Sincerely,

NU WA INDUSTRIES, INC.
