Dear Mr. Parker:

Enclosed are copies of the vehicle numbering system we are presently using on our trailers to insure that we are conforming with 49CFR 567.

Our warranty registration card provides a record of all first owners. This also maintains a record of the tires on each vehicle because the model identifies the tire size.

Also, enclosed is a copy of our WMI code as confirmed by SAE.

If you need additional information please let me know.

Sincerely,

Jimmy A. Belk, Vice President
