Attention: VIN Coordinator

The SAE Engineering Co. whom assigned us our World Manufacturer Identifier Code has asked me to send a sample of our new number since we changed cities - from Hollidaysburg, Pa. to Scottsdale, Pa. They assigned the VIN number in December, 1986 and suggested we keep the same number but change the H (plant location - Hollidaysburg,) to S for Scottsdale.

SAMPLE:

1L9 FS482 8<sup>✓</sup>KS 086 046

Thank you,
