ATTENTION: VIN Coordinator

Last week, I submitted a VIN schedule for my company which was mailed to you on 1-23-89. There was an error in the 3rd and 14th digits, as submitted. These digits should be the letter E, rather than the letter A.

I have been in contact with Betty Lou Schattauer at the SAE, and she advised that this was an error on their part, and that I should make a written request to you for a correction.

Please make these corrections for me at your earliest convenience. Your assistance in this matter is deeply appreciated.

Sincerely yours,

Dennis W. Rodgers, President
