Re: Part 565 - Vehicle Identification Number

Dear Mr. Miller:

Enclosed are five (5) copies of updated VIN code deciphering tables applicable to the 1990 model year vehicles that Chrysler Motors Corporation plans to manufacture in North America for sale in the United States.

These tables replace the tables provided with our letter dated March 1, 1989. This revision adds two Dodge Monaco carlines, identifies the Dodge Daytona carlines for U.S. market only, adds the Chrysler Daytona carlines for the Canadian market, adds a series code for Jeep Cherokee models, and changes the horsepower ratings for the 3.3 liter engine to 147 hp and for the 3.9 liter engine to 127 hp.

These tables are submitted in accordance with the requirements in Section 565.5 of Part 565.

Sincerely,

A handwritten signature in cursive script, appearing to read "R. D. Rossio".
