ATTENTION: VIN COORDINATOR

Dear Sirs,

Enclosed please find a copy of the information you need for three new trailers KU-2000, KU-3000, KUT-7000.

I have previously sent the same information on January 6, 1989. On January 25, 1989 I received a phone call from someone at the National Highway Traffic Safety Administration that they received the enclosed papers and didnt know what office they were to go to. I am resending the papers to make sure they get to the Vin Coordinator department. If you have already received the enclosed papers please disregard this letter.

If you have any questions please contact me at (414) 673-5227.

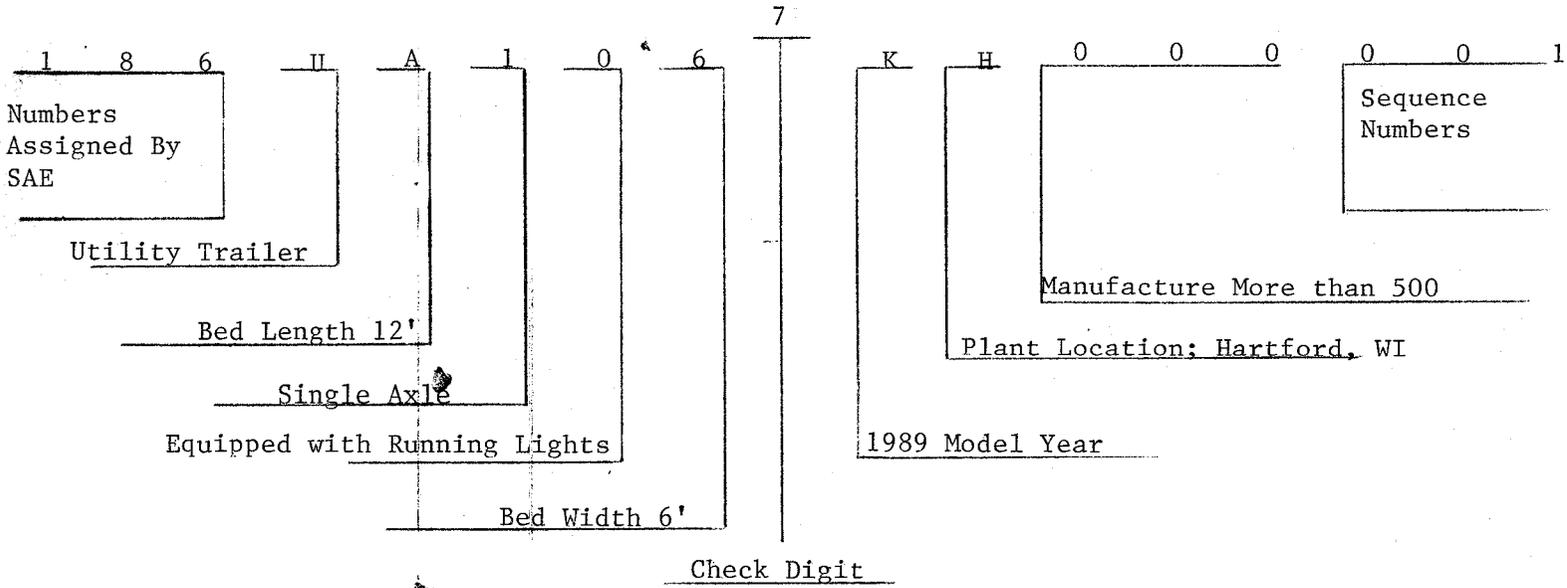

Sincerely,

Annette M. Breithreutz
