Dear Patti,

Further to our Fax to you of AUGUST 17 1989.

From January 1990 the chassis numbering of the Horse trailers we are improving will (with your approval) be changed to reflect slight changes to the design which is otherwise exactly as before.

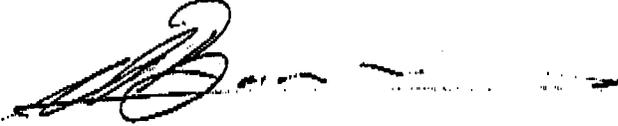

Since Aug 1989 the sequence has been UH210N40?LN123456

From January 1990 it will be UH237N40?LN123456

NOTE: chassis description which was #4 & 5 (10) is now 37.

Thank you for your support.

Please let us know if you need any further information.
