RE: VIN Coding System on Early 1991 Model Toyota Vehicles

Dear Sir:

Pursuant to 49 CFR Part 565, "Vehicle Identification Number Content Requirements," on behalf of Toyota Motor Corporation we hereby submit the information on the Toyota Vehicle Identification Number Coding System applicable to the 1991 Celica model on the enclosed page (revised 4/10/90).

On January 12, 1990, we submitted VIN Coding System information on the 1991 MR2, Land Cruiser and Previa models. Please replace that page with the enclosed revised page, which includes the 1991 Celica model.

We trust this information will be satisfactory.

Sincerely,

TOYOTA MOTOR CORPORATE SERVICES  
OF NORTH AMERICA, INC.
