This letter is in regard to my inquiry with S.A.E. WMI coordinator Betty Lou Schattauer on 8-09-89 as to obtaining a licence for WMI. Pursuant to CFR 49 Part 565.5C VIN, Deluxe Bumper Works was confirmed the following code: 1D9 with the 3rd, 4th, and 5th characters of the Vehicle Indicator Section to be 163.

Enclosed is the character definitions and two sample VIN numbers obtained by using sample of (STANDARD 115) as instructed by Betty Schattauer. If further information or fee's are required in advance please call or write. Thank you for your help.

Cordially;

Jerry Alexander
