Dear Ms. Garner:

01-22-N11B-3927

We were informed today by Santa Ynez Valley Trailers that they had a trailer manufactured by J-Rod, Inc. that did not pass the check digit on the VIN.

1 pg.

In refiguring the VIN we did find that we had missed the check digit. The VIN on the trailer and the manufacturers statement of origin shows VIN 1JG220206K1964990. The check digit 6 is incorrect and should be 1. The Correct VIN should read 1JG220201K1964990.

We are sorry this error happened and hope this will clear up the matter so our dealer can get the trailer licensed.

Yours truly,

J-ROD, INC.
